American Red Cross Deployed Troops Supply Drive

The American Red Cross of Lower Bucks County is collecting supplies to send individual care packages to locally deployed military personnel who are stationed overseas. Supplies are being collected from March 15, 2010 to April 9, 2010 at the local Chapter. Supplies will be shipped to individuals via care packages and through our partners at Ft. Dix military installation. Packages and supplies will be shipped on April 12, 2010 so that military personnel who are stationed overseas can receive these items in honor of Armed Forces Day on May 15, 2010. This project is our way of showing our support for our uniformed heroes and thanking them for their service to our country.
